STONE KALAKRITI

Stone Kalakriti Established in 2020. We make a variety of Marble Temple, Planter, Fountain, Wall Panel Fire Place, Inlay Work, Modern Art, Pot, Animals, Statues, Waterfall, & CNC Work forms that are in great demand both in the Indian subcontinent and in the international market.

Our entire range showcases the rich cultural heritage of India. We are deeply committed to top quality, and we have never compromised on quality. It starts with the efforts we put into selecting the best grade of raw material like sandstone, red stone, granite and marble. We then focus on quality control at each step of the manufacturing process. Our final products pass through a stringent set of quality measures that ensure that only the best products are shipped to our customers.

The other pillar of our success is our focus on client satisfaction. We offer to customize products for our clients. We even accept their drawings and suggestions, and incorporate them into producing uniquely designed pieces as per their requirements. Our team of skilled and creative craftsmen, our internationally reputed quality standards, our timely delivery schedules, and attractively priced wide range of products go a long way in establishing us as the leading light in this industry.
